## Abstract

Abstract or introduction spanning the whole page, that is, not placed in the two columns.

## A block

- Each block can contain:
- text, with *italic* and **bold** text
  - lists, like this one
  - tables (but put your tabulars inside minipages, not tables!)
  - images, like the one in the block below

## Another block with an image

## A third 1-column block with a tiny table

Column 1	Column 2
Cell 1A	Cell 2A
Cell 1B	Cell 2B

Table 1: This is a caption

## A block with sub-blocks

Each block can contain however many inner blocks.

### An inner block

This is the first inner block.

### Another inner block

This is the second and last inner block.

Blocks don't necessarily always have a title.

## A block with an orange frame

This sticks out a little bit more.
