

# Title of your paper - it can be long and break over several lines

First Author, Second Author and Possibly More

Språkbanken Text, University of Gothenburg

## Abstract

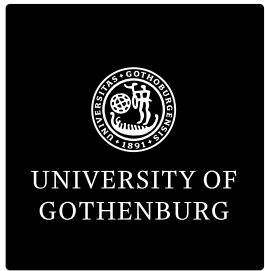

Abstract or introduction spanning the whole page, that is, not placed in the two columns.

## A block

Each block can contain:

- text, with *italic* and **bold** text
- lists, like this one
  - and
  - sublists
  - too
- tables (but put your tabulars inside minipages, not tables!)
- images, like the one in the block below

## Another block with an image

## A block with sub-blocks

Each block can contain however many inner blocks.

### An inner block

This is the first inner block.

### Another inner block

This is the second and last inner block.

Blocks don't necessarily always have a title.

## A block with an orange frame

This sticks out a little bit more.

## A third 1-column block with a tiny table

Column 1 Column 2	
Cell 1A	Cell 2A
Cell 1B	Cell 2B
